

AMENDED BY  
BY-LAW NO. 2000-069

BY-LAW NUMBER 96-126

AMENDED BY  
BY-LAW NO. 98-058

OF

THE CORPORATION OF THE TOWNSHIP OF UXBRIDGE

AMENDED BY  
BY-LAW NO. 2004-077

BY-LAW UNDER THE BUILDING CODE ACT,  
1992 RESPECTING PERMITS AND RELATED  
MATTERS

AMENDED BY  
BY-LAW NO. 98-163

WHEREAS Section 7 of the Building Code Act, 1992, authorizes a Municipal Council to pass by-laws concerning the issuance of permits and related matters.

NOW THEREFORE THE COUNCIL OF THE CORPORATION OF THE TOWNSHIP OF UXBRIDGE ENACTS AS FOLLOWS:

1. SHORT TITLE

This By-law may be cited as the "Building Permit By-law."

2. DEFINITIONS AND WORD USAGE

In this By-law:

- (1)
  - (a) "Act means the Building Code Act 1992, as amended.
  - (b) "applicant" means the owner of a building or property who applies for a permit or any person authorized in writing by the owner to apply for a permit on the owner's behalf.
  - (c) "Building Code" means the regulation made under the Act.
  - (d) "Chief Building Official" means the Chief Building Official appointed under Subsection 3 of the Act.
  - (e) "enclosure" means a fence, wall or other structure, including doors and gates, surrounding a privately owned outdoor swimming pool to restrict access thereto.
  - (f) "farm building" means a building as defined by The Canadian Farm Building Code 1990.
  - (g) "Gross floor area" means the total floor area of all floors above or below grade measured between the outside surfaces of exterior walls except unfinished portions of basements in residential dwellings but including attached garages and underground parking areas.
  - (h) "owner" means the registered owner of the land and includes a lessee, mortgagee in possession and/or the person in charge of the property.
  - (i) "permit" means permission or authorization given in writing by the Chief Building Official to perform work regulated by the Act and Building Code, or to occupy a building or part thereof prior to its completion.
- (2) Terms not defined in this By-law shall have the meaning ascribed to them in the Act or Building Code.

3. CLASSES OF PERMITS

Classes of permits required for construction, demolition or change of use are set forth in Schedule "A" appended to and forming part of this By-law.

4. PERMITS

- (1) To obtain a permit, an applicant shall file an application in writing on forms prescribed by and available from the Chief Building Official, and shall supply any other information relating to the application as required by the Chief Building Official.

**(2) Every building permit application shall:**

- (a) Identify and describe in detail the work, use and occupancy to be covered by the permit for which the application is made;
- (b) Identify and describe in detail the existing uses and the proposed use(s) for which the premises are intended;
- (c) describe the land on which the work is to be done, by a description that will readily identify and locate the site on which the building or demolition is to occur;
- (d) be accompanied by plans and specifications as described in the By-law;
- (e) be accompanied by the required fees as calculated in accordance with Schedule "A";
- (f) state the name, addresses and telephone numbers of the owner, applicant, architect, engineer or other designer and the constructor or person hired to carry out the demolition, as the case may be;
- (g) when Section 2.3 of the Building Code applies, be accompanied by a signed acknowledgement of the owner on a form prescribed by the Chief Building Official that an architect or professional engineer, or both, have been retained to carry out the general review of the construction or demolition of the building;
- (h) when Section 2.3 of the Building Code applies, be accompanied by a signed statement of the architect or professional engineer, or both, on a form prescribed by the Chief Building Official, undertaking to provide general review of the construction or demolition of the building;
- (i) include, where applicable, the registration number of the builder or vendor as provided in the Ontario New Home Warranties Plan Act;
- (j) state estimated value of the proposed work including material and labour; and
- (k) be signed by the applicant who shall certify as to the truth of the contents of the application.

**(3) In addition to the requirements of subsection (2) above, every demolition permit application shall:**

- (a) when Section 2.3 of the Building Code applies, be accompanied by structural design characteristics of the building and the method and time schedule of the demolition; and
- (b) be accompanied by satisfactory proof that arrangements have been made with the proper authorities for the termination and capping of all water, sewer, gas, electric, telephone or other utilities and services.

**(4) In addition to the requirements of subsection (2) above, every construction permit application for part of a building shall:**

- (a) include an application for the entire project; and
- (b) include plans and specifications covering the part of the work for which more expeditious approval is desired, together with such information pertaining to the remainder of the work as may be required by the Chief Building Official.

- (5) In addition to the requirements of subsection (2) above, every conditional permit application for the construction of a building shall:
  - (a) state the reasons why the applicant believes that unreasonable delays in construction would occur if a conditional permit is not granted; and
  - (b) state necessary approvals which must be obtained in respect of the proposed building and the time in which such approvals will be obtained.
- (6) In addition to the applicable requirements of subsection (2) above, every change of use permit application shall:
  - (a) describe the building or part thereof in which the occupancy is to be changed; and
  - (b) include plans and specifications which show the current and proposed occupancy of all parts of the building, and which contain sufficient information to establish compliance with the requirements of the Building Code including, floor plans, details of wall, floor and roof assemblies identifying required fire resistance rating and load bearing capacities.
- (7) The Chief Building Official shall, where conditions in subsections (4) above have been fulfilled, issue a permit for part of a building subject to compliance with the Act, the Building Code and any applicable law.
- (8) The Chief Building Official may, where conditions in Subsection 8(3) to 8(5) of the Act and subsection (5) above have been fulfilled, issue a conditional permit for a building subject to the compliance with the Act, the Building Code and any applicable law.
- (9) The Chief Building Official shall not, by reason of the issuance of a permit or permits for a part of parts of the building issued under subsections (4) and (5) hereof be under any obligation to grant any further permit or permits therefore.
- (10) Where an application for a permit remains incomplete or inactive for six months after it is made, the application may be deemed by the Chief Building Official to have been abandoned and notice thereof shall be given to the applicant.

## 5. PLANS AND SPECIFICATIONS

- (1) Every applicant shall furnish:
  - (a) sufficient plans, specifications, documents and other information to enable the Chief Building Official to determine whether the proposed construction, demolition, or change of use conforms to the Act and the Building Code; and
  - (b) a site plan referenced to a current plan of survey certified by a registered Ontario Land Surveyor and a copy of such a survey shall be filed with the municipality unless this requirement is waived because the Chief Building Official is able, without having a current plan of survey, to determine whether the proposed work conforms to the Act, the Building Code and any other applicable law. Site plan will include:
    - i) lot size and dimensions of property;
    - ii) setbacks from existing and proposed buildings to property boundaries and to each other;
    - iii) existing and finished ground levels or grades; and
    - iv) existing rights of way, easements and municipal services;
- (2) Plans submitted shall be legible and be drawn to scale upon paper or other suitable durable material.

- (3) The Chief Building Official shall determine the number of plans, specifications, documents and other information required to be furnished with an application for permit having regard for the requirements of any Act, regulation or By-law respecting the examination or circulation of the application.
- (4) On completion of the construction of a building, the Chief Building Official may require a set as of constructed plans, including a plan of survey showing the location of the building.
- (5) Plans and specifications furnished according to this By-law or otherwise required by the Act become the property of the municipality and will be disposed of or retained in accordance with relevant legislation.

## 6. FEES

- (1) The Chief Building Official shall determine the required fees calculated in accordance with Schedule "A" of this By-law for the work proposed and the applicant shall pay such fees. No permit shall be issued until the fees therefore, have been paid in full, including all fees required by other applicable law.
- (2) Upon written request, the Chief Building Official shall determine the amount of fees, if any, that may be refunded in accordance with Schedule "A" in the case of:
  - (a) withdrawal of an application,
  - (b) abandonment of an application pursuant to Subsection 4(10) above,
  - (c) refusal to issue a permit,
  - (d) request for revocation of a permit pursuant to Clause 8(10)(e) of the Act.
- (3) Subject to subsection 7(1), there shall be no refund of permit fees where a permit has been revoked.

## 7. PERMIT REVOCATION, DEFERRAL OR TRANSFER

### (1) Revocation of Permit

Prior to revoking a permit under Clauses 8(10)(b) and (c) of the Act, the Chief Building Official shall give written notice of intention to revoke to the permit holder at his last known address and if on the expiration of thirty (30) days from the date of such notice, the grounds for revocation continue to exist, the permit may be revoked without further notice and all submitted plans and other information may be disposed of.

### (2) Deferral or Revocation

- (a) On receipt of a notice of intention to revoke a permit, a permit holder may request in writing within thirty (30) days from the date thereof the Chief Building Official to defer the revocation of such permit.
- (b) A request for deferral shall set out the reasons why the permit should not be revoked and the date by which the work will be commenced or resumed.
- (c) Having considered the circumstances of the request and having determined that there have been no changes to the Act and the Building Code and any other applicable law which would have prevented the issuance of the original permit, the Chief Building Official may allow a deferral to a prescribed date and shall notify the permit holder.
- (d) A request for deferral of revocation is subject to a fee in accordance with Schedule "A".

(3) **Renewal of Permit**

- (a) A building permit issued pursuant to Section 4(7) shall expire two (2) years from the date of issuance.
- (b) A fee, as prescribed in Schedule "A" shall be payed to renew the permit for a further two (2) year period.

(4) **Transfer of Permit**

- (a) Permits are transferrable only upon the new owner completing a permit application to the requirements of Section 4.
- (b) A fee, as prescribed in Schedule "A" shall be payable on a transfer of permit by the new owner who shall thenceforth be the permit holder for the purpose of the Act and the Building Code.

**8. NOTIFICATIONS**

- (1) Notices for inspections respecting stages of construction required by the Building Code shall be given by the permit holder to the Chief Building Official at least two business days in advance of each stage of construction specified therein.
- (2) A notice pursuant to this section is not effective until written or oral notice is received by the Chief Building Official.

**9. SEVERABILITY**

Should any section, subsection, clause or provision of this By-law be declared by a court of competent jurisdiction to be invalid, the same shall not affect the validity of this By-law as a whole or any part thereof, other than the part so declared to be invalid.

**10. REPEAL**

By-law No. 88-65, as amended, is hereby repealed in its entirety.

**READ a FIRST, SECOND and THIRD time and finally passed this 23rd day of September, 1996.**
