

LET'S ALL HAVE A SAFE WINTER!

Things To Remember For The Winter Season

- To keep our roads as clear of snow as possible, overnight parking is prohibited on township roads and municipal parking lots from November 1st through April 1st, 2 AM-7AM to ensure that our plows can do their job.
- Be sure to clear your sidewalk of snow, ice and slush.
- Please do not shovel, sweep or throw snow, ice or slush on the roadway.
- Remember when you see snow start to accumulate, make sure your vehicles are off the roadway to permit snow removal.

Thank you for making this winter season a safe one.

COME JOIN US AT THE LIBRARY

It is a fun and busy time at the Township of Uxbridge Public library. Total circulation last year was up 14%. Currently, Internet usage is up 12%, and new patrons are up 5%. The friendly, knowledgeable staff and dedicated board are working hard to meet community needs.

The mission of the library states that the Uxbridge and Zephyr libraries are information resources committed to literacy and lifelong learning.

Action is being taken to fulfill the mission. A survey has gathered community feedback and steps are underway to address issues raised. Programs are available for both children and adults. Programs for teens are available at the library and in cooperation with the Youth Centre. A new and free program, in conjunction with local schools and sponsored by the local Rotary, CALS (computer assisted literacy solution), was completed earlier this year with great success. This program can help people young and old who have literacy needs.

The library is increasing its communication with the community via the Township page in the Cosmos as well as various articles in both papers describing what is going on at the library. For further information on this great community resource you can also go to the website: www.uxlib.com. Sign up to receive *The Old Town Clock* newsletter via your email. Our new slogan sums up what the Uxbridge Township Public library is all about:
